## Bluebeam<sup>®</sup> Conversion Server<sup>™</sup>

Automate your PDF creation  
with Bluebeam Conversion Server 3.0

Bluebeam Conversion Server 3.0 automatically converts CAD, Office and Windows files to PDF, TIF and 9 other file formats. Perfect for companies that share and archive CAD and Windows documents, Bluebeam Conversion Server can centrally manage file conversion and integrate with a document management system or other processes. The Server Manager Tool makes it easy to configure conversion settings including page size, color, layouts, text stamps and more. The Bluebeam Conversion Server also includes a web-based Server Reporting tool so you can monitor and access conversion process reports in real time.
