Introducing 0% Financing on PTC Products

In this challenging economic climate, PTC offers qualified businesses a new opportunity to finance world-class product development solutions. Now you can get 0% financing for 12 months when you purchase the latest PTC Software solutions.

To survive and thrive against the competition, you need technology solutions that can streamline your product development process and squeeze the maximum innovation and efficiency from your team. PTC understands that purchasing new technologies can put a strain on your organization's working capital. With 0% Financing from PTC, you can acquire the software your company needs to stay ahead of the competition.

Benefits of 0% Financing:

- Conserves your working capital
- Spreads costs over time – low monthly payments!
- Creates wider financial scope
- Improves cash-flow management
- Offers easier financing than bank loans
- Provides savings on down payment

Take Advantage of this Offer • Contact a sales representative and find out if you qualify.

Offer available through July 4, 2009.

12 month, 0% offer is available for orders with a total cost of \$7,500 or greater (software and PTC University costs only – services and maintenance costs are excluded from this offer but can be negotiated separately). Other financing packages are available. Promotion begins 2/6/2009 and transactions must fund by 7/4/2009. Financing is available to qualified business customers through Key Equipment Finance or other financial providers in partnership with PTC and PTC
