## PTC University

Boost your productivity. Learn from the experts at PTC University. Whether you're looking for a specific training course, ways to improve the proficiency of experienced users, or a personalized corporate learning program that meets your training schedule and budget requirements, PTC University can help you boost your productivity.

### PTC University Pro/ENGINEER eLearning Library \$1,295

This is a simple, convenient way for you to learn new Pro/ENGINEER modules and techniques that can help you get your job done faster. Your library gives you instant, online access to over 40 different Pro/ENGINEER courses, so you can train at your own pace, whenever you have time. That's over 800 hours of training for less than the price of a typical classroom training course.

### PTC University COACH eLearning Library \$1,295

Over 800 hours of modular instruction sessions on 2500 Pro/ENGINEER topics. Courses are broken down into 15-30 minute learning segments making it quick and easy for you to learn about a specific feature or capability.

### PTC University Pro/ENGINEER, COACH and Pro/FICIENCY eLearning Library Bundle \$1,895

1600 hours of Pro/ENGINEER training. Includes a perpetual license to the Pro/ENGINEER and COACH eLearning Library, so you can either take comprehensive training courses on Pro/ENGINEER modules or take a quick 15-30 minute refresher on a specific topic. A perpetual license to the Pro/FICIENCY eLearning library is also included, so you can test your level of understanding on various areas of Pro/ENGINEER.

### PTC University Arbortext eLearning Library \$695

A convenient way to improve your proficiency with Arbortext solutions, this eLearning Library provides online access to both basic and advanced Arbortext training, so you can take training whenever your schedule permits. Training is self-paced and modular so you can learn the capabilities important to you without sitting through an entire course. It also includes learning management capabilities & new, recorded lectures to enhance your learning experience.

### PTC University Mathcad eLearning Library \$495

An easy way to learn new Mathcad modules and techniques, this web-based training will turn you into a "Mathcad Power User" and help you get your job done faster.
